Education

SISH's Hospitality and Tourism Management degree programmes are awarded by Vatel Hotel & Tourism Business School.

Our programmes seek to maximise learning through hands-on discovery, case studies discussion, and presentations which facilitate creative thinking and problem-solving. Students will graduate with cutting-edge knowledge of the best industry practices, as well as a service innovation mindset.

Hospitality and Tourism Management: The Pathway

Why study Hospitality in SISH?

Career-Oriented Curriculum

SISH ensures students have a dynamic and engaging learning journey by integrating fun & innovative activities and out-of-classroom settings to encourage hands-on exposure.

Holistic Learning

Students get to go for field trips, excursions, hotel tours, and international conference events. Such experiential learning provides first-hand exposure for students.

Vibrant Student Life

As a mosaic of culture and activity, the school has numerous activities and an eclectic, multi-cultural student body.

Industrial Attachment

Internship is an important component for students to gain hands-on exposure and practical work experience. Job attachment for international students is not guaranteed and will be subject to approval of relevant passes by the Ministry of Manpower (MOM).

Conducive Facilities

Equipped with state-of-the-art facilities for conducive learning.

Programmes and Fees (GST inclusive)

All programmes are offered on a full-time basis and delivered face-to-face.
