COURSE OVERVIEW

Programme Overview

The Preparatory Course for the SEC is tailored for students aged 14 years and above and who aim to obtain a widely recognized qualification that serves as a pathway to higher education and vocational training.

Examination Pathway

Upon completion, students will be prepared to sit for the SEC examination, which is jointly administered by Cambridge Assessment International Education, the Ministry of Education - Singapore and the Singapore Examinations and Assessment Board (SEAB).

OBJECTIVES

1. Gain familiarity with the Cambridge SEC curriculum and the assessment objectives for the subjects covered.
2. Develop a clear understanding of and acquire the knowledge and skills outlined in the assessment objectives for each respective Singapore-Cambridge SEC subject.
3. Register and sit for the SEC examinations as private candidates.

ADMISSION REQUIREMENTS
